

TORTURED SOULS

Shirley Schmidt's Reasons

\$375,000

(the) senior partner is asking you...

unprincipled soulless whores

you could always quit

Word Choice: interrogation - coerce - torture - aggravated assault

Logical References: the end justifies the means - ticking bomb case

Alan Shore's Closing Argument:

Logos, Ethos, or Pathos

As Americans we love torture

Hollywood certainly knows that...

[Dirty Harry \(1971\)](#)

[Death Wish \(1974\)](#)

[Man on Fire \(2004\)](#)

Is there potential for abuse?

Without question; the events at [Abu Ghraib](#) were deplorable.

Do they happen in a vacuum?

[Alberto Gonzalez](#), Supreme Court, [Alan Dershowitz](#) and torture warrants

Innocent man who harbors a fugitive

"Coerced"

The law in this country has always been subject to
evolving community standards

They're sure as hell happy

If it were your child...

Got the job done

Our government, our military, our attorney general, our supreme court
